VOLUNTARY ANNOUNCEMENT

STRATEGIC COLLABORATION FRAMEWORK AGREEMENT WITH HAIER BIOMEDICAL

This announcement is made by Suzhou Basecare Medical Corporation Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) on a voluntary basis to inform the shareholders and potential investors of the Company about the latest business advancement of the Group.

The board (the “**Board**”) of directors (the “**Directors**”) of the Company is pleased to announce that for the purpose of the actualization of a leapfrogging development by seizing the development opportunities arising from the assisted reproduction market to attain a win-win situation for both parties in an effective manner, the Company entered into a strategic collaboration framework agreement (the “**Strategic Collaboration Framework Agreement**”) with Qingdao Haier Biomedical Co., Ltd. (海爾生物醫療股份有限公司) (“**Haier Biomedical**”), a company listed on the Shanghai Stock Exchange (stock code: 688139), on July 13, 2022, pursuant to which, Haier Biomedical shall authorize the Company as its in-depth strategic partner in assisted reproduction industry in the PRC to jointly offer comprehensive solutions for the assisted reproduction sector. Both parties will jointly carry out collaborative development in assisted reproduction sector by using the cryogenic refrigeration technology.

Haier Biomedical is an Internet of things (“IoT”) technology ecological company, which has undergone the IoT transformation, primarily engaged in the research and development (“R&D”), manufacturing and sales of biomedical cryopreservation equipment. Haier Biomedical conducts independent R&D on core technology of cryogenic refrigeration and masters the knowledge thereof, and has become the only service provider of biomedical cryopreservation equipment covering a full temperature range from -196°C to 8°C worldwide. To the best of the knowledge, information and believe of the Directors, Haier Biomedical is a third party independent to the Company and its connected persons (as defined in the Listing Rules).
